Enhance your matchday experience

It's never easy to predict the outcome of a game in the Premier League, but what we can guarantee at the Amex is an exceptional dining experience.

HB's Restaurant, named after the club's former vice-chairman Harry Bloom, has an all-inclusive pre- and post-match offering, with a three-course pre-match choice menu. Set overlooking the pitch and with private tables, this restaurant is certainly in keeping with the club's top-level status.

The Goldstone Restaurant, which is new to our East Stand, offers a grill menu, with central seats, providing a fantastic view of the matchday action and is the ideal venue to entertain clients with an all-inclusive package.
